

Vishva Hindu Parishad (VHP)  
Youth Development Camp (YDC) – 2005

VHP YDC is a unique camp that combines religious education with personal development, providing youth with a positive learning experience in a pleasant environment.

This camp is aimed to provide those values, which the youth miss out in other camps. VHP YDC is aimed to equip the youth with the necessary knowledge and skills to lead a balanced life and be good citizens of the world.

*The focus of our camp is to create*

- (i) *an exposure to the explanation behind some of our religious, social & cultural practices,*
- (ii) *an appreciation of the excellence of our ancestors in all aspects of knowledge since Vedic times,*
- (iii) *a sense of pride about our country of origin*
- (iv) *an awareness about spirituality as a state of mind to lead a balanced life.*
- (v) *an opportunity to learn and practise important life skills.*

The camp will additionally give participants the opportunity to undertake a unique interactive, challenging and practical program highlighting the importance of developing inner strength and personal character while enhancing their understanding about their religion and knowledge about their country of origin.
